"1. (Unclassified - JGO) I talked to Mr. Robert Blum, Senate Foreign Relations Committee staff, and told him that the additional OSS files identified since our last conversation are also station files that would contain little or no indication of distribution given to the reports contained therein. Blum told me he is not in any time press at the moment and will await my call to set a date for him to visit Headquarters to review the files available. A very tentative date was made for the week of 17 July or the week following."

Monday - 17 July 1972

"8. (Confidential - LLM) Called Sam Goldberg, in the office of Senator Charles Mathias (R., Md.), and gave him the address of the Strategic Services Unit which he will relay to a husband and wife writing team who would like to review certain material involving a relative who was associated with OSS (see Journal of 12 July 1972). The handling of this request was coordinated with Chief, IS/SS."
